Content slider

A powerful CMS

Manage your contents the easy/simple way. Contao enables you to create awesome interactive elements like the slider you see here with ease. This slider is based on swipe.js and comes out of the box with/including support for mobile devices.

Text

Highly Extendible

Contao ist highly extendible with a lot of extensions build by the great Contao community. Go and check out the Contao Extensions to see more than 1500 extensions.
