-

Automatically verify without user interaction.

Hide logo

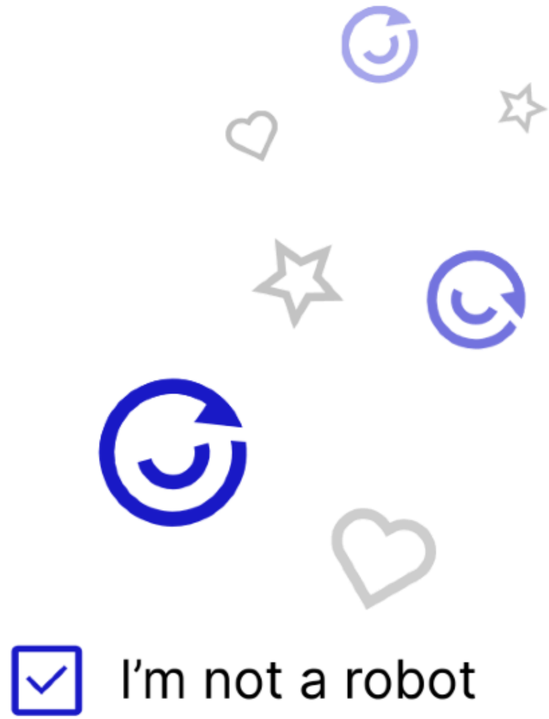

Hide the ALTCHA logo.

Save | Save and close

Free, open-source **Captcha alternative**

ALTCHA uses a **proof-of-work** mechanism to **protect your website, APIs, and online services** from spam and unwanted content.

Unlike other solutions, ALTCHA is free, open-source and self-hosted, **does not use cookies nor fingerprinting**, does not track users, and is **compliant with data-privacy regulations** and **accessible**.
